Dear Colleagues,

It is our great pleasure to announce the **Masterclass and Live Surgical Workshop in Gynae Oncology** under the aegis of AGOI and ISPSM on **26<sup>th</sup> and 27<sup>th</sup> February, 2023** at **All India Institute of Medical Sciences, New Delhi.**

The emphasis of this scientific programme is on relevant surgical anatomy and advanced surgical techniques applicable to all gynaecological cancers. This workshop will be led by international and national faculties with special expertise in the areas of laparoscopic and open radical procedures, HIPEC and various techniques of colorectal anastomosis.

This two-day programme includes didactic lectures, simulation training in bowel anastomosis, pelvitrainer on 26th Feb 2023 and live demonstration of complex gynaecological oncology surgeries on 27th Feb 2023. A galaxy of renowned faculties will interact and demonstrate the tips and tricks of surgical techniques. There will be ample opportunities for one-on-one interaction and hands-on training in a dry skills lab.

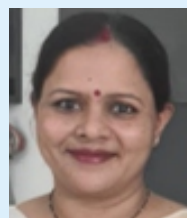

We look forward to welcoming you in New Delhi.
